Hotwire Installation Scheduling and Service

Hotwire has begun scheduling equipment installations within homes. Each individual resident will be live on Hotwire services at the completion of their installation.

If you have not yet scheduled your installation or you are experiencing issues with your Hotwire service please contact Hotwire at 239-217-3262 or villagesofmonterey@hotmail.com

The Hotwire service is included in your association quarterly dues.

Fitness Classes Canceled

After careful consideration the Board of Directors have canceled all Monterey sponsored fitness classes. This is due to the low participation of many of the classes and the difficulty in finding new instructors.
